

# Rules at the Hilda-Heinemann-Schule

We spend a lot of time at school every day.  
Children and adults work together at the Hilda-Heinemann-Schule.  
We want to feel comfortable and safe. Peaceful teamwork is only possible if we all respect the school rules.

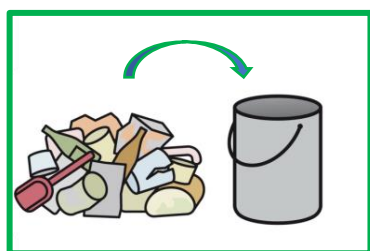

We treat each other with kindness and respect.

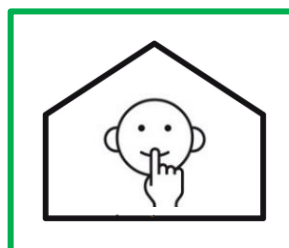

We listen to all staff.

When I need help, I can ask an adult.

We keep our school clean.

We are quiet in the school building.

Stop means stop.

We follow by the rules on mobile phone use.
